Dear Madam,

We are requesting data from your office under the United States Code Title 5 Section 552.

This is an **initial request**.

- #1 The location of each collection box and post office is requested.
- #2 Where available, please provide the collection schedule for each record in dataset #1.
- #3 Where available please provide the location id, as would be used by the USPS on the collection box, for each record in dataset #1.
- #4 Where available please provide the latitude and longitude for each record in dataset #1.
- #5 Where applicable and available, please provide mail class restrictions for each record in dataset #1.

We request this data in machine readable form, preferably on CD or DVD. Alternately this data may electronically transmitted via email to public@pyerotechnics.com.

Under subsection (a)(4)(A)(iii) we request minimal fees and charges for this request. This request will allow the public to increase the ability to use the United States Postal Service.

This information will be published at <http://public.pdinc.us> with out charge. This information would allow patron of the USPS to effectively deposit their mail at the nearest collection box or the collection box most timely.

Sincerely,

Jason Pyeron
